BETTER TOGETHER MOJO

BUY ONE - GIFT ONE

 visi

JANUARY 7-27, 2017, new and existing Visi Partners can kick off their New Year's resolutions with the MOJO pack and get a second pack to share—for free. Give the gift of health and wellness to someone who is not an existing Partner. That's right—you can share the Visi message and products with someone in your life at no extra cost.

**KEEP ONE
FOR YOURSELF**

**SHARE ONE
WITH A FRIEND**

**BETTER
TOGETHER
POINTS**

For every MOJO pack you purchase **JANUARY 7-27, 2017**, you'll earn one Better Together Point. And with every MOJO pack you gift to someone else, you'll earn another point. Then from **January 7 to February 3**, every new partner and/or customer you sponsor on a Mojo Pack* will earn you one more point.

That's three ways to earn points, and be sure to take advantage of all of them. The top point earner will win two free tickets to our upcoming spring event, including airfare†, a two-night hotel stay, and admission to the event.

To throw some fuel on the fire, we are also doubling the Rising Sun Bonus for existing Visi Partners and we are waiving the left/right requirement as well from **January 7 to February 3**.

The holidays may have ended, but that's no reason to stop giving. Share your love this New Year to build up your relationships and your business.
